Credit Hours (42-45) TOTAL

MLA II

Students with a prior professional degree in landscape architecture such as a BLA or BSLA may also pursue the MLA II degree which is a post-professional degree track for students interested in further development of particular skills or who want to further develop a particular area of research or specialization in the discipline. This track may also be of interest to professionals who are interested in a mid-career retooling of their skillset with new digital practices, contemporary theoretical paradigms, new material and tectonic strategies, and updated ecological models and tactics.

Curriculum = 42-45 hrs (36-39 hrs grad coursework (min); thesis option.

Required courses

Recommended courses

*Students are required to take a minimum of 9 credit hours per semester to be eligible for financial assistance
