

Chattanooga Design Studio 2017 Summer Internship

About the Organization

The mission of the Chattanooga Design Studio is to enhance Chattanooga's quality of life by educating the community about, advocating for, and facilitating excellent urban design.

We are a not-for-profit public interest urban design center with a focus on Chattanooga's downtown.

About the Position

Full-time; runs May 15 to August 11, 2017.

The Intern will assist Design Studio staff with professional design and planning projects located within Chattanooga's dynamic downtown and Innovation District. Current projects respond to challenges in the urban environment, and include asset mapping, community engagement, redevelopment proposals, and traffic and streetscape studies.

Qualifications

We are seeking a career-track college or graduate student who can contribute to professional project work. You should bring some knowledge or interest in one or more of the following: Chattanooga; urban design; the public realm; green infrastructure; and community development. We value a variety of skills, with an emphasis on design thinking and visual communication. You should be proficient in one or more of the following: 3D modelling; AutoCAD; Adobe suite, or GIS. You should be prepared to work in a team setting and to work independently under the direction of the permanent staff.

Duties and Compensation

Prepare studies and visual materials in support of the design process, prepare for and participate in community meetings; and survey and document field conditions and community preferences.

Compensation is \$10 per hour, 40 hours a week.

To Apply

Please send the following to rwroth@chattanoogastudio.com. PDF format is preferred.

- A cover letter, describing your specific personal interest in the position.
- A current resumé.
- A short portfolio of relevant original work.
