

Khoury Vogt Architects is a boutique architecture and interior design firm specializing in high-end custom residential homes and related civic and commercial projects.

We are currently seeking to hire an Intern Architect for a full-time position in our office located in the Florida panhandle along Route 30A. The Intern Architect would be working closely with Project Managers to complete full construction drawings as well as develop a set of comprehensive skills from conceptual design through the construction of projects and interior design. The position has the potential to grow as our office continues to expand.

The Intern Architect position would require re-location to the area if not local.

Education and Experience

- 5-year Bachelor or Master of Architecture degree from an NAAB accredited university.
- 0-3 years of work experience or architecture internship is a plus.

Requirements

- Strong proficiency in AutoCAD, Revit, Photoshop, and Microsoft Office.
- Professional experience utilizing Revit and SketchUp is preferred.
- Strong interpersonal skills for interaction with clients.
- Good communication skills.

Please send resume and portfolio to Marianne Khoury-Vogt at info@khouryvogt.com.
