

INTERN ARCHITECT

General Information:

TURNERBATSON is seeking a motivated Intern Architect to join our team. The ideal candidate should be a great team player and have a passion for providing outstanding design and client service. This position offers long-term career potential, stability, and an opportunity to make a meaningful contribution to the firm's ongoing success.

As an Intern Architect, you will gain exposure to all aspects of our profession to help prepare you for the ARE licensing exams. You will have the opportunity to work with project architects, clients, interior designers, contractors, and related entities to experience the build process from design to construction.

If you believe that you have the skills and creativity to accelerate our success, check us out at www.turnerbatson.com. We have a unique and cherished culture at TURNERBATSON and are seeking a team player who will positively contribute to this special spirit. Please submit your resume, work samples, or portfolio to mstewart@turnerbatson.com.
