*Design VI: Advanced Studio is an Options Studio which may be co-listed as one of the following concentration-specific Studios

ARCH 583
 Design VI: Advanced Studio, Urbanism

ARCH 584
 Design VI: Advanced Studio, Computational Design and Fabrication

ARCH 585
 Design VI: Advanced Studio, Conservation and Stewardship

ARCH 586
 Design VI: Advanced Studio, Sustainability

minimum GPA required

The academic background of all M.Arch 2G candidates will be evaluated on a case-by-case basis to ensure that they meet the prerequisites of the M.Arch program. In certain instances, a student may be required to take additional coursework to ensure accrediting requirements are met.
